NOTES ON NEWS OF THE DAY.

The Solid South received an awful fracture when West Virginia declared for Harrison.

THERE were three deaths from yellow fever and 34 new cases yesterday at Jacksonville. Total deaths 370; total number of sick 4,391.

The Democrats give up Indiana. It is Republican by 4,000. This raises Harrison's electoral vote to 233, and drops Cleveland to 188. Cleveland had 219 and Blaine 182 in 1884.

MINISTER PHELPS continues to buoy up the hopes of Englishmen in London by assuring them that the returns from Michigan and Ohio, "two very doubtful states," will probably elect Cleveland.

WEST VIRGINIA adds her electoral votes to the Republican column. This would elect Harrison and Morton without the vote of New York. Any further effort by the Democratic National Committee to steal the state will be a waste of labor.

"JONES OF Binghamton" is the most popular of all the candidates in the estimation of New York Democrats. His majority in the city is 72,290. This is 4,000 greater than Hill's, and more than Cleveland's in all the counties below the Harlem.

REVISED returns show a Republican force of 85 in the new Legislature. This is within one vote of a two-thirds majority. The Senate lacks only a single vote. Perhaps the two bodies will find the one Democrat needed by each to pass a high license bill over the Governor's veto.

HAD not the ratio of Republican gain throughout the state, outside of New York and Kings, exceeded that in Ulster, the electoral vote of New York would have gone for Cleveland and Thurman—Kingston Leader.

Our neighbor's arithmetic is getting badly mixed. In 1884 Blaine had 59 majority in Ulster County. In 1888 Harrison receives 349 majority, a gain of nearly 500 per cent.

THE FREEMAN congratulates the Republicans of Ulster county upon their splendid victory on the electoral and state tickets. Ulster county is Republican by at least 500 majority, upon a full fair vote, but the large amount of money poured into the county by the Liquor Dealers' Association was effectively used against the ticket.

THE men who bet on Cleveland are paying up. If the Democratic National Committee has in hand any scheme to steal the state, it should be accomplished before these matters are settled. There is not a man living in the state of New York who would feel any interest in Cleveland's election, after the bets are paid, always excepting the office-holders who have got to go.

A VERY foolish election bet was made between Elmer Thomson and Mira Webster of Cleveland, Ohio. If Cleveland won the day, if Harrison was elected the marriage was to go over for four years. Now both wish to get married, and each is ashamed to ask the other for a release. Cross-ruffs for breach of promise are suggested.

JOSEPH CHAMBERLAIN sailed for the United States in the steamship Auraria last Sunday. So fearful was he that the news of his coming would affect the election unfavorably for Cleveland, that he went aboard by stealth and secluded himself in his state room till the vessel sailed. "How we applaud swim." But Joe does not yet know that his secrecy did not help his favorite candidate a single vote.

GEN. HARRISON's majority above the Harlem was almost exactly 85,000, according to the returns in the morning papers. Mr. Cleveland met it at the river with 72,000. Hill's slaughter of Cleveland was effected chiefly in New York and Kings, where he ran 12,672 ahead of the President. In Clinton, Dutchess, Delaware, Orange, Putnam, Queens, Rockland, Schenectady, Schoharie, Seneca and Tompkins Cleveland ran ahead of Hill.

THE order sent out by the Democratic National Committee about midnight to Democratic newspapers Tuesday night to "claim the state for Cleveland" appears to have been pretty faithfully obeyed. Even the Democratic newspapers of last evening affected to believe in their editorial columns that Cleveland was saved, while the telegraphic news showed his case to be hopeless. Did Mr. Brice have in contemplation a scheme to steal the state with newspaper assistance?

THE defeat of Warner Miller is a political and moral calamity. His administration would have done honor to the state of New York, and placed it on a level of morality and civilization with the other great and enlightened states of the North. His brilliant and courageous canvass greatly strengthened the Republican party in New York and contributed in no small degree to the success of the National ticket. This fact will be remembered. The state and the country will not forget Warner Miller and be unmindful of the debt of gratitude that it owes to him.

HERE is a little letter of congratulation to President Cleveland which shows how the working women feel over the result. Mrs. Charlotte Smith is at the head of the Women's Industrial Association of New York, and the letter was prepared at a levee of the members last night:

President Grover Cleveland, Whitehouse, Washington.

Allow me to congratulate you on your defeat for President of the United States. "Broken promises" to wage women, vetoing old women's pension claims, Jeffersonian economy, government lower washing given to Chinese and free trade settled your defeat. Woman has been a political factor in this campaign.

CHARLOTTE SMITH.

MR. AND MRS. CLEVELAND, Col. Lamont and wife, Secretary Whitney and wife, Mrs. Dickinson, Mrs. Endicott and Assistant Secretary Maynard and Thompson held a "reunion party" at the White House this morning. They kept together till noon, each expressing hope that some way out of the awful disaster might appear. Then they gave up all hope and dispersed. Mr. and Mrs. Cleveland went to their private residence at Red Top, and the White House was left in charge of the servants. Social life threatens to be a very dismal affair in Washington until March.

BUSINESS WILL BOOM

Now That There is No Danger to be Apprehended From the Attacks of Free Traders—Harrison and the Republican Senate Will See to it That Everything is "All Right."

The very satisfactory news came late this afternoon that West Virginia is for Harrison.

WEST VIRGINIA ALL RIGHT.

By Telegram to The Freeman.

NEW-YORK, Nov. 8.—The Republican National Executive Committee express the belief that West Virginia has given her electoral votes to Harrison; that Indiana and California are sure for the Republican ticket and that without New-York Harrison is elected. They have of course no doubt about New-York, and say Harrison will have the biggest vote in the Electoral College of any President since 1872.

U. S. COMMISSIONER ARRESTED.

By Telegram to The Freeman.

RICHMOND, Va., Nov. 8.—United States Commissioner Pleasant has arrested the City Board of Commissioners of Election of Richmond for refusing to allow United States marshal to be present at the count of the votes to-day.

HARRISON'S ELECTION CONCEDED.

By Telegram to The Freeman.

NEW-YORK, Nov. 8.—Chairman Brice, of the Democratic National Executive Committee, concedes the election of Harrison.

REP. SENATOR FROM DELAWARE.

By Telegram to The Freeman.

WILMINGTON, Del., Nov. 8.—Nearly full returns show that in Kent County the Republicans elect their whole legislative ticket. The official count shows the election of the entire Republican ticket in Sussex County. This makes the next Legislature stand 16 Republicans to 14 Democrats, insuring the election of a Republican United States Senator.

CARLISLE MAY NOT "GET THERE."

By Telegram to The Freeman.

CINCINNATI, Nov. 8.—A story circulated here is that there has been a discovery made over the river which will defeat Carlisle by 1,000 votes has caused a sensation. The law directs that all ballots be plain, with no distinguishing marks. Carlisle ballots in Campbell and Kenton counties were printed in long perforated strips, and were carelessly torn up. Carlisle has engaged counsel. The Election Board is Republican. If the party is thrown out he is defeated, if not thrown out the case will be carried to Congress.

WISCONSIN FOR HARRISON.

By Telegram to The Freeman.

MILWAUKEE, Nov. 8.—Returns are coming in slower and in less satisfactory shape in Wisconsin than they did four years ago, but enough are in to make it certain that the State has gone for Harrison by at least 18,000, and probably 91,000.

MINNESOTA DOES WELL.

By Telegram to The Freeman.

ST. PAUL, Minn., Nov. 8.—Editor Wheeler, of the Pioneer Press, estimates that the State gives Harrison 28,000 plurality and Merriam, Republican, for Governor 20,000.

CALIFORNIA STILL IN DOUBT.

By Telegram to The Freeman.

SAN FRANCISCO, Nov. 8.—Complete returns have been received from five counties in the State as follows: Contra Costa, Harrison, 1,518; Cleveland, 1,106; Fisk, 47; Curtis, 11. Marin, Harrison, 902; Cleveland, 840; Fisk, 9; Curtis, 1. Santa Clara, Harrison, 1,732; Cleveland, 1,483; Fisk, 36; Curtis, 7. Sacramento, Harrison, 4,620; Cleveland, 8,357; Fisk, 74; Curtis, 82. San Benito, Harrison, 668; Cleveland, 708; Fisk, 89. San Joaquin, Harrison, 2,848; Cleveland, 2,836; Fisk, 285; Curtis, 40. The count of 41,492 votes in this county out of a total of 55,370, gives Harrison 20,007 and Cleveland 21,455. It is expected that the canvass of the vote of the City will be completed this afternoon. The Republican State Committee estimates that the Democratic plurality in the City will be about 5,000, but contend that the outside counties will furnish a Republican plurality of 14,000, and that the Republican electoral ticket will be elected by 9,000 plurality. The estimate of the Democratic State Committee is a probable Democratic plurality of 2,000 to 3,000 in the State.

The Examiner claims that California is still in doubt.

Forty-one thousand, seven hundred and seventy-three votes out of a total of 55,370 in this State have been canvassed. Complete returns have been received from 775 precincts out of a total of 1,850 outside of the City. The total vote so far counted in the State, including both San Francisco and interior points, gives Harrison 98,112; Cleveland 89,041; Fisk 8,847; Curtis 775.

IN MISSOURI.

By Telegram to The Freeman.

ST. LOUIS, Nov. 8.—The State Democratic Committee has completed returns from 38 out of the 114 counties of the state outside of St. Louis which gives Francis, Democrat, for Governor 17,467 over Kimball, Republican. In the same counties in 1884, Marquand, Democrat, had 18,785 plurality over Francis. The official reports from nearly all of the remaining counties give Francis an equal ratio of gain with losses in about ten counties, and the Committee claims his plurality will not be less than 16,000. The Republican ticket, but claim Kimball has an equal chance to win. The Committee decline to give figures until official returns are received.

KANSAS CITY, Mo., Nov. 8.—The Democratic State Committee on Returns received by telegraph to midnight from 96 counties claim a gain of over 6,000, leaving a Republican plurality of about 17,000. Some of the strongest Dem-

IN OHIO.

By Telegram to The Freeman.

COLUMBUS, O., Nov. 8.—The Democratic State Committee on Returns received by telegraph to midnight from 96 counties claim a gain of over 6,000, leaving a Republican plurality of about 17,000. Some of the strongest Dem-

ocratic counties have not yet been heard from. They concede the election of Morey, Republican, in the Seventh Congressional District, and the election of Salzman, Democrat, in the Sixth. The Republican Committee claims a plurality of 20,222 on the National ticket. No figures are given on State officers.

THE RESULT IN ILLINOIS.

CHICAGO, Nov. 8.—Cook County complete, including the City of Chicago, gives Harrison 83,790, Cleveland 84,354. Cleveland's plurality, 564. Fifer, Republican, for Governor, 82,440. Palmer, Democrat, 86,956. Palmer's plurality, 4,514. In 1884 the County gave Blaine 69,251, Cleveland 60,609. Blaine's plurality, 8,642.

The Tribune says the returns from all the counties in Illinois of the vote for President and Governor show Harrison has carried the State by over 21,000 plurality, while Fifer has run ahead of Palmer over 13,000 votes. General Palmer, at Springfield, last night, gave up the fight.

HILARIOUS INDIANA REPUBLICANS

Celebrating Election of General Harrison—Free Passes Up "Salt River."

By Telegram to The Freeman.

INDIANAPOLIS, Nov. 8.—People could not hear one another speak here, this afternoon, on account of the horn blowing of hilarious Republicans. A wagon, containing a large coffin, from one end of which dangled a large picture of Grover Cleveland, was drawn through the streets by a mule. On the top of the coffin were seated six mourners, wiping mock tears from their eyes with brilliant bandanna handkerchiefs. Passes for Salt River were distributed. If the weather permitted a grand ratification meeting will be held this evening.

SCENES AT HARRISON'S HOME.

By Telegram to The Freeman.

INDIANAPOLIS, Nov. 8.—General Benjamin Harrison spent last evening in his library receiving election bulletins over the private wire running to the main office of the Western Union Telegraph Company. During the afternoon a number of friends and neighbors dropped in to congratulate him. The rainy weather has been a great safeguard to the General, enabling him to escape the noisy demonstrations around his residence. He was in a very cheerful frame of mind last night, and he talked at length, explaining and explaining from time to time the little group around him the significance or importance of this or that statement, or bulletin. John S. Harrison, of Kansas City, the General's only brother, arrived during the day, and he spent the evening with the General. The family were in and out of the library during the evening, as were Mrs. Harrison's guests, Mrs. Brown, of West Virginia, and Miss Strickle, of Dayton, Ohio. About 11 o'clock the ladies retired and it was not until twelve o'clock that the General did likewise, leaving his son and Mr. McKee to set up for the late returns. Some 950 precincts in Indiana had been heard from up to that time, and being one-half of the State, the General made a few remarks on the bulletin and then started with some degree of satisfaction that the average net gain of about six and three-quarter votes to the precinct was being maintained. At this rate General Harrison's plurality will be in the vicinity of 6,000.

Russell Harrison received a telegram from Secretary Wood of the Montana Republican Committee, stating that Carter, the Republican candidate for delegate to Congress, was elected by a majority of 4,000, with a change of 8,300 votes. Another telegram to Russell Harrison from Port Townsend, Washington Territory, stated that A. W. Bach, Republican candidate for delegate, had defeated Charles Voorhes, the son of Senator Voorhes. Local correspondents wrote before the General did likewise, leaving his son and Mr. McKee to set up for the late returns. Some 950 precincts in Indiana had been heard from up to that time, and being one-half of the State, the General made a few remarks on the bulletin and then started with some degree of satisfaction that the average net gain of about six and three-quarter votes to the precinct was being maintained. At this rate General Harrison's plurality will be in the vicinity of 6,000.

Nine hundred and forty-eight precincts in Indiana give Harrison 150,582. Cleveland had 136,893. Cleveland lost 137,031. Nine hundred and thirty-five precincts in Indiana give Harrison 147,907; Cleveland, 141,084. Same precincts in '84 gave Blaine, 144,063; Cleveland, 134,700. The Supervisors of Election are now canvassing the returns throughout the State. It is believed that by a late hour to-night the vote of the State by counties will be obtainable, although this is doubtful.

IN ARKANSAS.

By Telegram to The Freeman.

LITTLE ROCK, Nov. 8.—The last returns assure the election of a straight Democratic delegation to Congress. Breckinridge's majority in the Second District being estimated at about 1,000 or 1,500. Cleveland carried the State by over 20,000 majority.

THE GOVERNOR CONGRATULATED.

By Telegram to The Freeman.

ALBANY, Nov. 8.—The Governor received many congratulations from his friends to-day. Among them was the following from Gerhard Lang, of the Buffalo Brewing Company:

Accept my hearty congratulations.

GERHARD LANG.

GRAY'S ELECTION CONCEDED.

By Telegram to The Freeman.

ALBANY, Nov. 8.—A dispatch from Bath says Judge Rumsey practically concedes the election of Judge Gray.

In Clinton, Dutchess, Delaware, Orange, Putnam, Queens, Rockland, Schenectady, Schoharie, Seneca and Tompkins Cleveland ran ahead of Hill.

THE order sent out by the Democratic National Committee about midnight to Democratic newspapers Tuesday night to "claim the state for Cleveland" appears to have been pretty faithfully obeyed. Even the Democratic newspapers of last evening affected to believe in their editorial columns that Cleveland was saved, while the telegraphic news showed his case to be hopeless. Did Mr. Brice have in contemplation a scheme to steal the state with newspaper assistance?

THE defeat of Warner Miller is a political and moral calamity. His administration would have done honor to the state of New York, and placed it on a level of morality and civilization with the other great and enlightened states of the North. His brilliant and courageous canvass greatly strengthened the Republican party in New York and contributed in no small degree to the success of the National ticket. This fact will be remembered. The state and the country will not forget Warner Miller or be ungrateful to the debt of gratitude that it owes to him.

HERE is a little letter of congratulation to President Cleveland which shows how the working women feel over the result. Mrs. Charlotte Smith is at the head of the Women's Industrial Association of New York, and the letter was prepared at a levee of the members last night:

President Grover Cleveland, Whitehouse, Washington.

Allow me to congratulate you on your defeat for President of the United States. "Broken promises" to wage women, visiting old women's pension claims, Jeffersonian economy, government lower washing given to Chinese and free trade settled your defeat. Woman has been a political factor in this campaign.

CHARLOTTE SMITH.

MR. AND MRS. CLEVELAND, Col. Lamont and wife, Secretary Whitney and wife, Mrs. Dickinson, Mrs. Endicott and Assistant Sec. Rogers Maynard and Thompson held a "celebratory party" at the White House this morning. They kept together till noon, each expressing hope that some way out of the awful disaster might appear. Then they gave up all hope and dispersed. Mr. and Mrs. Cleveland went to their private residence at Bed Top, and the White House was left in charge of the servants. Social life threatens to be a very dismal affair in Washington until March.

STRUGGLE FOR POLL BOOKS

By Republican and Democratic Judges of Election in N. M.

BUSINESS WILL BOOM

Now That There is No Danger to be Apprehended From the Attacks of Free-Trade-Harrison and the Republican Senate Will See to It That Everything is "All Right."

The very satisfactory news came late this afternoon that West Virginia is for Harrison.

WEST VIRGINIA ALL RIGHT.

By Telegram to The Freeman.

NEW-YORK, Nov. 8.—The Republican National Executive Committee express the belief that West Virginia has given her electoral votes to Harrison; that Indiana and California are sure for the Republican ticket and that without New-York Harrison is elected. They have of course no doubt about New-York, and say Harrison will have the biggest vote in the Electoral College of any President since 1872.

U. S. COMMISSIONER ARRESTED.

By Telegram to The Freeman.

RICHMOND, Va., Nov. 8.—United States Commissioner Pleasants has arrested the City Board of Commissioners of Election of Richmond for refusing to allow United States Supervisor to be present at the count of the votes to-day.

HARRISON'S ELECTION CONCEDED.

By Telegram to The Freeman.

NEW-YORK, Nov. 8.—Chairman Brice, of the Democratic National Executive Committee, concedes the election of Harrison.

REP. SENATOR FROM DELAWARE.

By Telegram to The Freeman.

WILMINGTON, Del., Nov. 8.—Nearly full returns show that in Kent County the Republicans elect their whole legislative ticket. The official count shows the election of the entire Republican ticket in Sussex County. This makes the next Legislature stand 16 Republicans to 14 Democrats, insuring the election of a Republican United States Senator.

CARLISLE MAY NOT "GET THERE."

By Telegram to The Freeman.

CINCINNATI, Nov. 8.—A story circulated here is that there has been a discovery made over the river which will defeat Carlisle. By 1,000 votes has created a sensation. The law directs that all ballots be plain, with no distinguishing marks. Carlisle ballots in Campbell and Kenton counties were printed in long perforated strips, and were carefully torn up. Carlisle has engaged counsel. The election board is Republican. If the protested votes are thrown out he is defeated, if not thrown out the case will be carried to Congress.

WISCONSIN FOR HARRISON.

By Telegram to The Freeman.

MILWAUKEE, Nov. 8.—Returns are coming in slow and in less satisfactory shape in Wisconsin than they did four years ago, but enough are in to make it certain that the State has gone for Harrison by at least 18,000, and probably 31,000.

MINNESOTA DOES WELL.

By Telegram to The Freeman.

ST. PAUL, Minn., Nov. 8.—Editor Wheeler, of the Pioneer Press, estimates that the State gives Harrison 38,000 plurality and Merriam, Republican, for Governor 20,000.

CALIFORNIA STILL IN DOUBT.

By Telegram to The Freeman.

SAN FRANCISCO, Nov. 8.—Complete returns have been received from five counties in the State as follows: Contra Costa, Harrison, 1,518; El Dorado, Harrison, 1,167; Fresno, Harrison, 902; Cleveland, 846; Fisk, 9; Curtis, 1. Napa, Harrison, 1,732; Cleveland, 1,483; Fisk, 36; Curtis, 7. Sacramento, Harrison, 4,620; Cleveland, 3,357; Fisk, 14; Curtis, 32. San Benito, Harrison, 688; Cleveland, 798; Fisk, 89. San Joaquin, Harrison, 2,848; Cleveland, 2,838; Fisk, 285; Curtis, 40. The count of 41,469 votes in this city out of a total of 55,370, gives Harrison 20,007 votes, Cleveland 21,453. It is expected that the canvass of the vote of the city will be completed this afternoon. The Republican State Committee estimates that the Democratic plurality in the city will be about 5,000. The Republican plurality in the counties will furnish a Republican plurality of 14,000, and that the Republican electoral ticket will be elected by 9,000 plurality. The estimate of the Democratic State Committee probable Democratic plurality of 2,000 to 3,000 in the State.

The Examiner claims that California is still in doubt.

Forty-one thousand, seven hundred and seventy-three votes out of a total of 55,370 in this city have been canvassed. Complete returns have been received from 775 precincts out of a total of 1,590 outside of the city, including both San Francisco and interior points gives Harrison 93,112; Cleveland 85,041; Fisk 3,847; Curtis 775.

IN MISSOURI.

By Telegram to The Freeman.

ST. LOUIS, Nov. 8.—The State Democratic Committee has complete returns from 30 out of the 114 counties of the state outside of St. Louis which gives Francis, Democrat, for Governor 17,407 over Kimball, Republican. In the same counties in 1884, Marmaduke, Democrat, had 18,765 plurality over Ford, Republican, a gain for Francis of 3,982.

Official reports from nearly all of the remaining counties give Francis an equal ratio of gain with losses in about ten counties, and the Committee claims his plurality will not be less than 10,000. The Republican Committee does not concede the election of Francis, but claim Kimball has an equal chance to win. The Committee decline to give figures until official returns are received.

KANSAS GIVE, MO., NOV. 8.—THE

Democrats claim the election of Tarsney, Democrat, in the Fifth Congressional District, by 2,000.

IN OHIO.

By Telegram to The Freeman.

COLUMBUS, O., Nov. 8.—The Democratic State Committee on returns received by them up to midnight from 66 counties claim a gain of over 6,000, leaving a Republican plurality of about 17,000. Some of the strongest Democratic counties have not yet been heard from.

ocratic counties have not yet been heard from. They concede the election of Henry, Republican, in the Seventh Congressional District and still claim the election of Salter, Democrat, in the Sixth. The Republican Committee claims a plurality of 20,222 on the National ticket. No figures are given on State officers.

THE RESULT IN ILLINOIS.

CHICAGO, Nov. 8.—Cook County complete, including the City of Chicago, gives Harrison 83,790, Cleveland 84,354. Cleveland's plurality, 564. Fifer, Republican, for Governor, 82,440, Palmer, Democrat, 80,956. Palmer's plurality, 4,514. In 1884 the County gave Blaine 89,253, Cleveland 60,609. Blaine's plurality, 8,642.

The Tribune says the returns from all the counties in Illinois on the vote for President and Governor show Harrison has carried the State by over 21,000 plurality, while Fifer has run ahead of Palmer over 13,000 votes. General Palmer, at Springfield, last night, gave up the fight.

HILARIOUS INDIANA REPUBLICANS.

Celebrating Election of General Harrison—Free Passes Up "Salt River."

By Telegram to The Freeman.

INDIANAPOLIS, Nov. 8.—People could not hear one another speak here, this afternoon, on account of the horn blowing of hilarious Republicans. A wagon, containing a large coffin, from one end of which dangled a large picture of Grover Cleveland, was drawn through the streets by a mule. On the top of the coffin were seated six men, waving their hats and cheering. The mule was driven by a man in a bandanna handkerchief. Passes for Salt River were distributed. If the weather permits a grand ratification meeting will be held this evening.

SCENES AT HARRISON'S HOME.

By Telegram to The Freeman.

INDIANAPOLIS, Nov. 8.—General Benjamin Harrison spent last evening in his library receiving election bulletins over the private wire running to the main office of the Western Union Telegraph Company. During the afternoon a number of friends and neighbors dropped in to congratulate him. The rainy weather has been a great safeguard to the General, enabling him to escape the noisy demonstrations around his residence. He was in a very cheerful frame of mind last night, reading the bulletins complacently, and explaining from time to time to the little group around him the significance or importance of this or that statement, or bulletin. John S. Harrison, of Kansas City, the General's only brother, arrived during the day and was among the guests. All the members of the family were in and out of the library during the evening, and Mrs. Harrison's guests, Mrs. Brown, of West Virginia, and Miss Strickle, of Dayton, Ohio. About 11 o'clock the ladies retired and it was not a great while thereafter before the General did likewise, leaving his son and Mr. McKee to set up for the late evening. Some 950 precincts in Indiana have been heard from up to that time, and being one-half of the State, the General figured a few moments on the bulletin and then stated with some degree of calmness that he believed that of about six and three-quarter votes to the precinct was being maintained. At this rate General Harrison's plurality will be in the vicinity of 6,000.

Russell Harrison received a telegram from Secretary Weed, of the Montana Republican Committee, stating that Carter, the Republican candidate for delegate to Congress, was elected by a majority of 4,000, which would give him the seat on the Second Congress. Being interested at other telegram to Russell Harrison from Port Townsend, Washington Territory, stating that A. W. Bash, Republican candidate for delegate, had defeated Charles Voorhees, the seat of Second Congress. Being interested at other telegram to Russell Harrison from Port Townsend, Washington Territory, stating that A. W. Bash, Republican candidate for delegate, had defeated Charles Voorhees, the seat of Second Congress.

The hundred and forty-eight precincts in Indiana give Harrison 150,538, Cleveland 144,413. The same precincts in 1884 gave Blaine 136,893, Cleveland 137,031. Nine hundred and thirty-five precincts in Indiana give Harrison 141,067, Cleveland, 141,084. Same precincts in '84 gave Blaine, 134,603; Cleveland, 134,700.

The Supervisors of Election are now canvassing the returns throughout the State. It is believed that by late to-night the vote of the State by counties will be obtainable, although this is doubtful.

IN ARKANSAS.

By Telegram to The Freeman.

LITTLE ROCK, Nov. 8.—The last returns assure the election of a straight Democratic delegation to Congress. Brockbridge's majority in the Second District being estimated at about 1,000 or 1,500. Cleveland carried the State by over 30,000 majority.

THE GOVERNOR CONGRATULATED.

ALBANY, Nov. 8.—The Governor received many congratulations from his friends to-day. Among them was the following from Gerhard Lang, of the Buffalo Brewing Company:

House. The following is the representation

The following is the table prepared by Ed-
ward McPherson, Chairman of the Republi-
can Congressional Committee:

Mr. McPherson repeats the mistake of the
Tribune in the fifteenth New York district,
the correction of which raises his majority to
19. It is probable that neither is correct in
regard to Virginia and that Mr. McPherson's
estimate on Florida is correct. A careful
comparison of all the reports indicates a Re-
publican majority of about 26.

THE NEXT SENATE REPUBLICAN.

Delaware has saved the United States Sen-
ate from becoming Democratic. Though it
will cast its electoral vote for Cleveland,
through the strong Democracy of Wilming-
ton, the counties of Kent and Sussex give
Republican majorities and elect enough Re-
publicans to the Legislature to give that
body a majority of twenty on joint ballot.
This assures the election of a Republican
United States Senator for the first time in
the history of the little Commonwealth. New
Jersey will return a Democrat in place of
McPherson, but the gain from Delaware as-
sures a continuance of the Republican ma-
jority of two. With a Republican President,
Vice-President, Senate, House of Representa-
tives and Supreme Court, there is no oc-
casion for further business uneasiness. Free
trade is dead forevermore.

WHAT IT MEANS.

The Presidential election is the most im-
portant since that of Lincoln in 1860. Those
that followed Mr. Lincoln's advent until
1884 meant simply a continuance of the po-
licies under which the nation's growth in
greatness and prosperity was greater in a quar-
ter of a century than in the seventy-two
years that preceded it. The change in 1884
was important in a partisan aspect only. It
gave to another party the control of the fed-
eral offices. The continuance of a Republi-
can Senate through Mr. Cleveland's entire
term made the Democratic party impotent
for the establishment of any policy
adverse to the people in two thirds
of the states of the Union,
and thus blocked its way to permanent as-
cendency in the government. Mr. Cleveland
has given the country a do-nothing adminis-
tration because his hands have been tied.
He entered willingly and cheerfully into a
combination with the South to put his party on
a free trade platform, but beyond this it could
not go. All that it could do was to hold the
menace of free trade over the industries of
the country, and wait for the power to exe-
cute.

The re-election of Cleveland would have
given his party the power to effect the great
evil that it had been threatening since 1880.
The election of Harrison is important in mak-
ing impotent that menace. The spectre of
free trade is laid for the century, probably
forever. There is nothing now to depress
enterprise or interfere with the comfort and
prosperity of labor. The United States
again asserts its independence of and entire
separation from the conditions that environ
labor in Europe, and make the life of the
working people there a constant struggle for
the bare necessities of existence. The
"Chinese wall," of which Democratic orators
have spoken with derision, is to go up.
The importers who enter our markets for
trade are to pay a tax for the privilege, like
our own merchants and producers. There is
to be competition, eager and sharp, but it
is to be between producers on our own soil.
And business will spring up as if by magic
at the mention of the name of "Harrison,"
and a new spirit of energy and hope-
fulness will be aroused. This is a
stupendous result to turn
upon the changes of a few votes. Had the
Republican vote been 10,000 less or the
Democratic that number more, we should have
had the Mills bill enacted into law in less
than six months, the wheels of thousands of
industrial establishments would have
stopped, working people by the hundred
thousand would have been driven out to beg
for bread, and foreign merchants would
have grown rich on the wealth of the
country.

Then something more is meant. The
United States is going to assert itself as a
nation again, and its independence from foreign
dictation. England's commands will
no more be obeyed in the adjust-
ment of the rights of our fishermen
and the assertion of our authority over the
Behring Sea, than in the arrangement of our
tariff duties. America is to be governed
for America and in the interest of the American
people again.

Then there are people in our western terri-
tories who have been waiting for this consum-
mation to bring them their rights as citizens
of the great republic. There are 700,000 of
them in Dakota, and they will cut that mag-
nificent empire into two great states. There
are 200,000 in Washington, 350,000 in Mon-
tana and 100,000 in Idaho. They have been
barred out of the Union and robbed of their
rights because the Democratic party has
feared the effect of their votes upon the
Presidential election. The
Republican party has vindicated
them without their help, and will show them
the moment it attains sufficient power, that
it can be just. And they will come in as Re-
publican states and swell the numbers of the
party of the Union in Congress and the Elec-
toral College.

Then again, the election opens up a brighter
era for the South. The incentives for the
maintenance of a sectional boundary line
must quickly disappear. Northern capital
and enterprise have for years been crossing
the line, and developing the latent resources
of the country and building up business pros-
perity. The apprehension of political pro-
scription and social ostracism which has
deterred many from entering the section and
taking advantage of its measureless opportu-
nities for wealth will subside under the pro-
tection of a Republican administration. And
a better civilization will crowd out the Bour-
bonism that has "hung on" as the last relic
of slavery, and there will be free labor, free
schools, free speech and press, and a free
suffrage.

The country has suffered Democratic
administration without giving it full oppor-
tunity for mischief. After listening four
years to its proposals to change our tariff
policy, and after witnessing its subservency
to England until it was discovered that its
ultimate object was the entire surrender of our
markets, the people rose up and vetoed it.

RIKER'S

EXPECTORANT

Acknowledged by all who have used it, to be the
most wonderful cure in the world for Coughs and
Colds.

It is warranted to cure any ordinary cough or cold
or your money is returned, or it costs you nothing.
If taken as soon as you feel that irritation or dry-
ness of the throat, occasioned by a cold, four to six
doses will cure it.
It won't cure a horrible sore throat in one night,
nor in fact will it cure anything in that space of
time. It takes at least a day or so to cure a cold,
but

IT GETS THERE ALL THE SAME.

It stops your cough almost at once, but should
you stop taking it after two or three doses probably
your cough would return. One thing you can al-
ways be sure of: Long before you have emptied the
bottle you will be all right. O. K.

As a trial of this truly wonderful medicine costs
nothing, and as 50 cents out of every 100 will be
returned to you, you will be sure to try it. It
costs you nothing to try it. It costs you nothing to
try it. It costs you nothing to try it. It costs you
nothing to try it. It costs you nothing to try it.

ULSTER CO. FOR HARRISON.

A MAGNIFICENT VICTORY FOR THE PROTECTIONISTS.

A Handsome Plurality for Harrison and Morton—David B. Hill, for Governor, Lost Very Heavily in the Rural Districts Here.

Though it is honest it is never good To bring bad news.

It's all good news about Harrison and Morton.

To-morrow's voting will decide whether an honest, capable administration of Federal affairs shall be approved by the great jury of the people—Kingston Leader, Nov. 5.

The jury of the people has spoken.

The returns printed in THE FREEMAN of last evening were correct. Fuller figures are herewith presented. They show that Harrison and Morton received a handsome plurality and that David B. Hill lost heavily in the rural districts of Ulster County. The figures follow:

NOTES ON NEWS OF THE DAY.

The Solid South received an awful fracture when West Virginia declared for Harrison.

THERE were three deaths from yellow fever and 34 new cases yesterday at Jacksonville. Total deaths 370; total number of sick 4,391.

THE Democrats give up Indiana. It is Republican by 4,000. This raises Harrison's electoral vote to 233, and drops Cleveland to 168. Cleveland had 219 and Blaine 182 in 1884.

MINISTER PHELPS continues to buoy up the hopes of Englishmen in London by assuring them that the returns from Michigan and Ohio, "two very doubtful states," will probably elect Cleveland.

WEST VIRGINIA adds her electoral votes to the Republican column. This would elect Harrison and Morton without the vote of New York. Any further effort by the Democratic National Committee to steal the state will be a waste of labor.

"Jonas of Binghamton" is the most popular of all the candidates in the estimation of New York Democrats. His majority in the city is 72,390. This is 4,000 greater than Hill's, and more than Cleveland's in all the counties below the Harlem.

REVISED returns show a Republican force of 85 in the new Legislature. This is within one vote of a two-thirds majority. The Senate lacks only a single vote also. Perhaps the two bodies will find the one Democrat needed by each to pass a high license bill over the Governor's veto.

HAD not the ratio of Republican gain throughout the state, outside of New York and Kings, exceeded that in Ohio, the electoral vote of New York would have gone for Cleveland and Thurman.

Our neighbor's arithmetic is getting badly mixed. In 1884 Blaine had 59 majority in Ulster County. In 1888 Harrison receives 340 majority, a gain of nearly 500 per cent.

THE FREEMAN congratulates the Republicans of Ulster county upon their splendid victory on the electoral and state tickets. Ulster county is Republican by at least 500 majority, upon a full fair vote, but the large amount of money poured into the county by the Liquor Dealers' Association was effectively used against the ticket.

THE men who bet on Cleveland are paying up. If the Democratic National Committee has in hand any scheme to steal the state, it should be accomplished before these matters are settled. There is not a man living in the state of New York who would feel any interest in Cleveland's election after the bets are paid, unless excepting the office-holders who have got to go.

A VERY foolish election bet was made between Elmer Thomas and Mira Webster of Cleveland, Ohio. If Cleveland won the lady consented to be married on inauguration day; if Harrison was elected the marriage was to go over for four years. Now both wish to get married, and each is ashamed to ask the other for a release. Cross-suits for breach of promise are suggested.

JOSEPH CHAMBERLAIN sailed for the United States in the steamship Auraria last Sunday. So fearful was he that the news of his coming would affect the election unfavorably for Cleveland, that he went aboard by stealth and secluded himself in his state room till the vessel sailed. "How we apples swim." But Joe does not yet know that his secrecy did not help his favorite candidate a single vote.

GEX. HARRISON'S majority above the Harlem was almost exactly 85,000, according to the returns in the morning papers. Mr. Cleveland met it at the river with 72,000. Hill's slaughter of Cleveland was effected chiefly by New York and Kings, where he ran 12,672 ahead of the President. In Clinton, Dutchess, Delaware, Orange, Putnam, Seneca and Tompkins Cleveland ran ahead of Hill.

The order sent out by the Democratic National Committee at midnight to Democratic newspapers Tuesday night to "claim the state for Cleveland" appears to have been pretty faithfully obeyed. Even the Democratic newspapers of last evening affected to believe in their editorial columns that Cleveland was saved, while the telegraphic news showed his case to be hopeless. Did Mr. Brice have in contemplation a scheme to steal the state with newspaper assistance?

The defeat of Warner Miller is a political and moral calamity. His administration would have done honor to the state of New York, and placed it on a level of morality and civilization with the other great and enlightened states of the North. His brilliant and courageous canvass greatly strengthened the Republican party in New York and contributed in no small degree to the success of the National ticket. This fact will be remembered. The state and the country will not forget Warner Miller or be ungrateful of the debt of gratitude that it owes to him.

HERE is a little letter of congratulation to President Cleveland which shows how the working women feel over the result. Mrs. Charlotte Smith is at the head of the Women's Industrial Association of New York, and the letter was prepared at a levee of the members last night:

President Grover Cleveland, Whitehouse, Washington.

Allow me to congratulate you on your defeat for President of the United States. "Broken promises" to wage women, violate old woman's pension claims, Jeffersonian economy, government loaf washing given to Chinese and free trade settled your defeat. Woman has been a political factor in this campaign.

CHARLOTTE SMITH.

MR. and MRS. CLEVELAND, Col. Lamont and wife, Secretary Whitney and wife, Mrs. Dickinson, Mrs. Endicott and Assistant Sec. George Maynard and Thompson held a "reception party" at the White House, each expressing hope that some way out of the awful disaster might appear. They gave up all hope and dispersed. Mr. and Mrs. Cleveland went to their private residence at Red Top, and the White House was left in charge of the servants. Social life threatens to be a very dismal affair in Washington until March.

BUSINESS WILL BOOM

Now That There is No Danger to be Apprehended From the Attacks of Free Traders—Harrison and the Republican Senate Will See to It That Everything is "All Right."

The very satisfactory news came late this afternoon that West Virginia is for Harrison.

WEST VIRGINIA ALL RIGHT.

By Telegram to The Freeman.

NEW YORK, Nov. 8.—The Republican National Executive Committee express the belief that West Virginia has given her electoral votes to Harrison; that Indiana and California are sure for the Republican ticket and that without New York Harrison is elected. They have of course no doubt about New York, and say Harrison will have the biggest vote in the Electoral College of any President since 1872.

U. S. COMMISSIONER ARRESTED.

By Telegram to The Freeman.

RICHMOND, Va., Nov. 8.—United States Commissioner Pleasant has arrested the City Board of Commissioners of Election of Richmond for refusing to allow United States inspectors to be present at the count of the votes to-day.

HARRISON'S ELECTION CONCEDED.

By Telegram to The Freeman.

NEW YORK, Nov. 8.—Chairman Brice, of the Democratic National Executive Committee, concedes the election of Harrison.

REP. SENATOR FROM DELAWARE.

By Telegram to The Freeman.

WILMINGTON, Del., Nov. 8.—Nearly full returns show that in Kent County the Republicans elect their whole legislative ticket. The official count shows the election of the entire Republican ticket in Sussex County. This makes the next Legislature stand 16 Republicans to 14 Democrats, insuring the election of a Republican United States Senator.

CARLISLE MAY NOT "GET THERE."

By Telegram to The Freeman.

CINCINNATI, Nov. 8.—A story circulated here is that there has been a discovery made over the river which will defeat Carlisle by 100 votes has created a sensation. The law directs that all ballots be plain, with no distinguishing marks. Carlisle ballots in Campbell and Kenton counties were printed in long perforated strips, and were carelessly torn up. Carlisle has engaged counsel. The Election Board is Republican. If the pro-Carlisle votes are thrown out he is defeated, if not thrown out the case will be carried to Congress.

WISCONSIN FOR HARRISON.

By Telegram to The Freeman.

MILWAUKEE, Nov. 8.—Returns are coming in slower and in less satisfactory shape in Wisconsin than they did four years ago, but enough are in to make it certain that the State has gone for Harrison by at least 18,000, and probably 21,000.

MINNESOTA DOES WELL.

By Telegram to The Freeman.

ST. PAUL, Minn., Nov. 8.—Editor Wheeler, of the Pioneer Press, estimates that the State gives Harrison 38,000 plurality and Merriam, Republican, for Governor 20,000.

CALIFORNIA STILL IN DOUBT.

By Telegram to The Freeman.

SAN FRANCISCO, Nov. 8.—Complete returns have been received from five counties in the State as follows: Contra Costa, Harrison, 1,518; Cleveland, 1,166; Fisk, 47; Curtis, 11. Maria, Harrison, 902; Cleveland, 846; Fisk, 9; Curtis, 1. Napa, Harrison, 1,732; Cleveland, 1,483; Fisk, 36; Curtis, 7. Sacramento, Harrison, 4,620; Cleveland, 3,357; Fisk, 74; Curtis, 82. San Benito, Harrison, 688; Cleveland, 708; Fisk, 89. San Joaquin, Harrison, 2,848; Cleveland, 2,838; Fisk, 283; Curtis, 40. The count of 41,493 votes in this City out of a total of 55,370, gives Harrison 20,007 and Cleveland 21,455. It is expected that the canvass of the vote of the City will be completed this afternoon. The Republican State Committee estimates that the Democratic plurality in the City will be about 5,000, but contend that the outside counties will furnish a Republican plurality of 14,000, and that the Republican electoral ticket will be elected by 9,000 plurality. The estimate of the Democratic State Committee does not vary from the one made yesterday. A probable Democratic plurality of 2,000 to 3,000 in the State.

The Examiner claims that California is still in doubt. Forty-one thousand, seven hundred and seventy-three votes out of a total of 55,370 in this City have been canvassed. Complete returns have been received from 775 precincts out of a total of 1,590 outside of the City. The total vote so far counted in the State, including both San Francisco and interior points gives Harrison 93,112; Cleveland 85,041; Fisk 3,847; Curtis 775.

IN MISSOURI.

By Telegram to The Freeman.

ST. LOUIS, Nov. 8.—The State Democratic Committee has complete returns from 30 out of the 114 counties of the state outside of St. Louis which gives Francis, Democrat, for Governor 17,467 over Kimball, Republican. In the same counties in 1884, Marmaduke, Democrat, had 18,765 plurality over Ford, Republican, a net gain for Francis of 3,582. Unofficial reports from nearly all of the remaining counties give Francis an equal ratio of gain with losses in about ten counties, and the Committee claims his plurality will not be less than 16,000. The Republican Committee does not concede the election of Francis, but claim Kimball has an equal chance to win. The Committee decline to give figures until official returns are received.

KANSAS CITY, Mo., Nov. 8.—The Democratic claim the election of Tarnsey, Democrat, in the Fifth Congressional District, by a plurality of 3,582.

IN OHIO.

COLUMBUS, O., Nov. 8.—The Democratic State Committee on Returns registered by them up to midnight from 66 counties claim a gain of over 6,000, leaving a Republican plurality of about 17,000. Some of the strongest Dem-

ocratic counties have not yet been heard from. They concede the election of Morey, Republican, in the Second Congressional District and still claim the election of Salazar, Democrat, in the Sixth. The Republican Committee claims a plurality of 20,222 on the National ticket. No figures are given on State offices.

THE RESULT IN ILLINOIS.

CHICAGO, Nov. 8.—Cook County complete, including the City of Chicago, gives Harrison 83,790, Cleveland 84,354. Cleveland's plurality, 564. Prior to the election for Governor, 82,440. Palmer, Democrat, 86,956. Palmer's plurality, 4,514. In 1884 the County gave Blaine 69,251, Cleveland 60,809. Blaine's plurality, 8,442.

The Tribune says the returns from all the counties in Illinois on the vote for President and Governor show Harrison carried the State by over 21,000 plurality, while Fifer has run ahead of Palmer over 13,000 votes. General Palmer, at Springfield, last night, gave up the fight.

HILARIOUS INDIANA REPUBLICANS.

Celebrating Election of General Harrison—Free Passes Up "Salt River."

By Telegram to The Freeman.

INDIANAPOLIS, Nov. 8.—People could not hear one another speak here, this afternoon, on account of the horn blowing of hilarious Republicans. A wagon, containing a large coffin, from one end of which dangled a large picture of Grover Cleveland, was drawn through the streets by a mule. On the top of the coffin were seated six mourners, wiping mock tears from their eyes with brilliant handkerchiefs. Passes for Salt River were distributed. If the weather permits a grand ratification meeting will be held this evening.

SCENES AT HARRISON'S HOME.

By Telegram to The Freeman.

INDIANAPOLIS, Nov. 8.—General Benjamin Harrison spent last evening in his library receiving election bulletins over the private wire running to the main office of the Western Union Telegraph Company. During the afternoon a number of friends and neighbors dropped in to congratulate him. The rainy weather has been a great safeguard to the General, enabling him to escape the noisy demonstrations around his residence. He was in a very cheerful frame of mind last night, and the party, which was comparatively small, and explaining from time to time the importance of this or that statement, or bulletin. John S. Harrison, of Kansas City, the General's only brother, arrived during the day, and a number of guests, all of whom were members of the family were in and out of the library during the evening, as were Mrs. Harrison's guests, Mrs. Brown, of West Virginia, and Miss Strickle, of Dayton, Ohio. About 11 o'clock the ladies retired and it was not a great while thereafter before the General did likewise, leaving his son and Mr. McKee to set up for the late returns. Some 550 precincts in Indiana had been heard from up to this time, and being one-half of the State, the result is a chance of 8,300 votes. An other telegram to Russell Harrison from Fort Townsend, Washington Territory, stated that A. W. Basch, Republican candidate for delegate, had defeated Charles Voorhees, the son of Senator Voorhees. Local interest at the time of the defeat of Deluge Neatons from the fact that next week he will lead to the altar one of the belles of the Hoosier Capital.

Nine hundred and forty-eight precincts in Indiana give Harrison 150,558, Cleveland 144,412. The same precincts in 1884 gave Blaine 136,893, Cleveland 137,031.

Nine hundred and thirty-five precincts in Indiana give Harrison, 147,907; Cleveland, 144,084. Same precincts in '84 gave Blaine, 134,693; Cleveland, 134,700.

Supervisors of Election are now canvassing the returns throughout the State. It is believed that by a late hour to-night the vote of the State by counties will be obtainable, although this is doubtful.

IN ARKANSAS.

LITTLE ROCK, Nov. 8.—The last returns assure the election of a straight Democratic delegation to Congress. Breckinridge's majority in the Second District being estimated at 1,000 or 1,500. Cleveland carried the State by over 20,000 majority.

THE GOVERNOR CONGRATULATED.

By Telegram to The Freeman.

ALBANY, Nov. 8.—The Governor received many congratulations from his friends to-day. Among them was the following from Gerhardt Lang, of the Buffalo Brewing Company:

Accept my hearty congratulations.

GRAY'S ELECTION CONCEDED.

By Telegram to The Freeman.

ALBANY, Nov. 8.—A dispatch from Bath says Judge Ramsey practically concedes the election of Judge Gray.
